## About All Our Kin

[All Our Kin](#) is a nationally recognized nonprofit organization that trains, supports, and sustains family child care providers to ensure that children and families have the foundations they need to succeed in school and in life. At All Our Kin, we support family child care providers at every stage of their development – from parents and caregivers to professional educators and business owners – using a strength-based, high-touch approach. Through our programs, family child care providers succeed as early childhood educators and small business owners; parents have access to high-quality, affordable child care, making it possible for them to enter into and remain within the workforce; and infants and toddlers gain the enriching experiences that prepare them to succeed in school and in life. All Our Kin is recognized as a [national model](#), and has been [proven through studies](#) to raise the quality, availability, and sustainability of family child care.

All Our Kin first opened its doors in a housing development in New Haven, Connecticut in 1999. Today, we serve over 500 family child care providers in five Connecticut cities and New York City.
