**Family Child Care Tool Kit Licensing Coordinator - Bilingual (Spanish-English)
Full-Time, Danbury/Stamford, CT**

All Our Kin, Inc., a nationally-recognized, Connecticut-based nonprofit organization that trains, supports, and sustains community child care providers to ensure that children and families have the foundation they need to succeed in school and in life, seeks a Tool Kit Licensing Coordinator to support new child care providers in obtaining their state licenses and successfully opening their family child care programs. This is a full time position.

All Our Kin first opened its doors in a New Haven housing development in 1999 with two staff members, six mothers, six children, and one core belief: all children deserve access to high-quality early learning opportunities. As Connecticut has explored ways to sustain high-quality child care in a time of great economic hardship, communities and agencies throughout the state have sought to learn from and build on All Our Kin's best practices. In response to this demand, All Our Kin expanded beyond New Haven, and is currently serving providers in Bridgeport, Norwalk, Stamford and New York City as well. Today, we serve over 400 family child care providers; these parents and educators in turn serve over 2,400 children in our community. To learn more about our work, please visit www.allourkin.org.
