

Where Does The Money Go? Strengthening Financial Systems For Family Child Care Providers

We need you to join our pilot!

The Office of Early Childhood, the Early Childhood Funder Collaborative and All Our Kin are developing a training series *Strengthening Financial Systems for Child Care Programs*.

We are seeking up to 20 family child care providers to participate in training on fiscal policies and implementation and to provide feedback to improve the training. Priority will be given to licensed family child care providers. If there is available space, spots will be opened to FCC staff and/or participants in All Our Kin's Toolkit Licensing Program. The program is currently only available in English; however, we anticipate making this training available in Spanish in the future.

Participant requirements:

- **Attend the full 8-hour training series.**
- **Complete a required survey on the format, content, and design of the training. The online survey will be provided on the last day of the training series.**

Participant benefits:

- **\$100 stipend for full participation in requirements.**
- **Training and resources to support best practices.**
- **Refreshments including lunch.**
