

Fundamentals of Family Child Care

A Training to Better Understand the Field

WHY LEARN FROM ALL OUR KIN?

All Our Kin is a nationally recognized nonprofit with 25 years of experience working side by side family child care educators.

Our proven and innovative model for training, supporting, and sustaining family child care (FCC) educators creates opportunities for providers and high-quality care options for families.

WHAT IS THE TRAINING?

Grounded in All Our Kin's decades of working with FCC educators, this four-hour virtual training will provide an introduction to FCC. Our facilitation includes interactive activities, in-depth content, and opportunities for relationship-building.

The training covers key topics such as:

- The **strengths** of FCC and its **impact** on children, families, and communities.
- The challenges faced by FCC educators and what **a day in the life looks like.**
- The **national FCC landscape** and the **historical context** of the profession.
- The **equity issues** and considerations for engaging with FCC educators and **centering their voices.**
